

# Dannii Minogue, Twist My Arm

Oooo-ooo twist my arm  
Oooo-ooo twist my arm  
I'll give you something  
That you never had  
I'll give you something  
Don't you want it that bad  
Do you want it  
I can give it  
'Cause I've got it  
You just twist it

If you wanna hold it  
If you wanna show it  
Come and let me know it  
Just twist my arm  
I'll be here to please it  
Always here to feed it  
Love you like you need  
Just twist my arm

Oooo-ooo twist my arm  
Oooo-ooo twist my arm

I've got a sweet tooth  
I like sweet things  
Nothing turns me loose  
Like the sugar you bring  
Do you want it  
Can you use it  
I can fix it  
You just twist it

If you wanna hold it  
If you wanna show it  
Come and let me know it  
Just twist my arm  
I'll be here to please it  
Always here to feed it  
Love you like you need  
Just twist my arm

Oooo-ooo twist my arm  
Oooo-ooo twist my arm

Don't save it for someone else  
Don't slip it to me on the sly  
Just tell me what you want  
Don't have to tell me why

Oooo-ooo  
Oooo-ooo  
Oooo-ooo  
Twist my arm

Oooo-ooo  
Oooo-ooo  
Oooo-ooo  
Twist my arm
