

Dante Thomas, Never Give Up

We've been together
And went to the extreme
You put your trust in me
When all I had was dreams
My world is hectic
But still you found away
To balance out the time
My love is here to stay
I never stop lovin you
No no no

Never give up, never give up
Never give up, lovin you
I'll never give up, never give up
Never give up, lovin you

You treated me like a king
How could I ask for more
Describing the way you love me
Is like you've been here before
Your smile is like a vacation
At peace when there far away
These words is just a reminder
How long I planned to stay
I never stop lovin you
No no no

Never give up, never give up
Never give up, lovin you
I'll never stop loving you
I'll never give up, never give up
Never give up, lovin you

Never give up, never give up
Never give up, never give up lovin you
On you, on you, never give up on you
I'll never give up

No matter what
I will never give up
Never will I be away from your touch
As long as you're here
I will stand by your side
Never again will you see lonely nights

Never give up, never give up
Never give up, lovin you
I'll never stop loving you, i'll never give up
Never give up, never give up

Never again
Cause I cant walk away from your love
And I want take the chance never again
Cause I cant walk away from your love
And I want take the chance lovin you

Never again
Cause I cant walk away from your love
And I want take the chance never again
Cause I cant walk away from your love
And I want take the chance lovin you
