

Danzel, Outta Control

We celebrate it's a beautiful night
We only havin' the time of our life
And though she got me begging for more
She got me dancing like we never before
The DJ's playing our favorite song
And it goes on and on and on

We're outta control tonight
Moving through the rhythm, dancing in the spot light
Oh tonight, girl you got me out of my mind
I guess we're outta control
Oh tonight, we're outta control tonight

Don't want this party to end, I say it again
We got this feeling no need to pretend
And though she got me begging for more
She got me dancing like we never before
The DJ's playing our favorite song
And it goes on and on and on

We're outta control tonight

Moving through the rhythm, dancing in the spot light
Oh tonight, girl you got me out of my mind
I guess we're outta control
Oh tonight, we're outta control tonight

No, oh, we're outta control tonight
Moving through the rhythm, dancing in the spot light
Oh tonight, girl you got me out of my mind
I guess we're outta control tonight
we're outta control tonight
Moving through the rhythm, dancing in the spot light
She got me dancing like we never before
DJ's playing our favorite song
And it goes on and on and on
we're outta control tonight
