

Danzel, You Are All Of That

Come on girl oh can't you see,
You're the perfect match for me.
Get your body close to mine,
Cause you make me feel so fine.
Come on girl oh can't you see... yeah
Come on girl oh can't you see...
You're the one that makes me hot,
In your arms I feel like God.
Cause... You are all of that, you are all of that (x2)
