

# Dario G, Heaven Is Closer

Feels like heaven  
Feels like heaven  
Heaven is closer

Heaven is closer now today, the sound is in my ears  
I can't believe the things you say, they echo what I fear  
Twisting the bones until they snap, I scream but no one knows  
Say I'm familiar, cold to touch and then you turn and go

Feels like heaven  
Feels like heaven

See how we planned for saddened eyes and tears to pave the way  
I fought the fever as I knew, my hair it turned to grey  
Study your face and fade the frame, too close for comfort now  
We can recall the harmony that lingered but too sour

Feels like heaven  
Feels like heaven

You wanted all I had to give  
See me, I feel, see me, I live, woh-oh

Feels like heaven (heaven is closer, heaven is closer)  
Feels like heaven (heaven is closer, heaven is closer)  
Feels like heaven (heaven is closer, heaven is closer)  
Feels like heaven (heaven is closer, heaven is closer)  
(REPEAT TO FADE)
