

# Darius, Live Twice

Don't leave now  
Not yet  
There were time we regret  
And I'm sorry  
Somehow  
I only  
Wanted to make you proud

If I could only let you know  
I'd give up everything I own  
For just one more day with you  
There's nothing I wouldn't do  
I could not let it pass me by  
If I make every sacrifice  
To bring me back your love  
If only we could live twice  
If only we could live twice

When you told me  
I froze  
It still echoes  
In my soul  
Please forgive me  
If I didn't say  
I love you  
Every single day

If I could only let you know  
I'd give up everything I own  
For just one more day with you  
There's nothing I wouldn't do  
I could not let it pass me by  
If I make every sacrifice  
To bring me back your love  
If only we could live twice  
If only we could live twice

Nobody told me we'd only get one chance  
I didn't know that our tide would turn so fast  
Why we have to say goodbye I don't understand

If I could only let you know  
I'd give up everything I own  
For just one more day with you  
There's nothing I wouldn't do  
I could not let it pass me by  
If I make every sacrifice  
To bring me back your love  
If only we could live twice

I could not let it pass me by  
Nothing I give to sacrifice  
To bring me back your love  
If only we could live twice  
If only we could live twice  
We'll meet in another life  
If only we could live twice
