

# Darius, Now Or Never

It took a while  
Took a smile  
When it hit me that you make your own fate  
And I can't wish my life away  
And watching you  
What you do  
And the way that you look at me  
Baby can't you see I'm scared  
I'm out of my mind  
My heart's trying to find  
A little more time

It's getting late  
Can't hesitate  
Can't let the moment slip away  
I can't leave  
My heart keeps telling me  
It's now or never  
Don't you ever  
Be afraid to make mistakes  
Take a chance  
You won't regret it  
It's now or never  
Don't wait until tomorrow

Is a kiss just a kiss ?  
Or will it change the way we are ?  
I know how it feels to be rejected  
Because I care  
I couldn't bear  
To lose the friend I've learned to love  
To lose you when I've yearned so much  
To touch you  
I'm bearing my soul  
I'm losing control  
But I need to know

It's getting late  
Can't hesitate  
Can't let the moment slip away  
I can't leave  
My heart keeps telling me  
It's now or never  
Don't you ever  
Be afraid to make mistakes  
Take a chance  
You won't regret it  
It's now or never  
Don't wait until tomorrow

It's now or never  
Don't you ever  
Be afraid to make mistakes  
Don't look back  
It all gets better  
It's now or never  
Don't wait until tomorrow
