

# Darius, Whole Again

If you see me walking down the street  
Staring at the sky, and dragging my two feet  
You just pass me by, it still makes me cry  
You can make me whole again

Time's been laying heavy on my heart  
Seems I've got too much of it since we've been apart  
My friends make me smile, if only for a while  
Make me whole again

Looking back on where we first met  
I cannot escape and I cannot forget  
Baby you're the one, you still turn me on  
You can make me whole again

Looking back on where we first met  
I cannot escape, I can't forget  
Baby you're the one, you still turn me on  
You can make me whole again

Baby you're the one, you still turn me on  
You can make me whole again
