

Darren Hayes, Sexual Healing

Baby I'm hot just like an oven
I need lovin'
And baby, I can't hold on much longer
It's getting stronger and stronger
And when I get that feeling
I need sexual healing
Sexual healing
Oh baby
Makes me feel so fine
Helps to relieve my mind
Oh baby sexual healing baby, it's good for me
Sexual healing something that's so good for me
Whenever blue tear drops are fallin'
And my emotional stability is leavin' me
There is something I can do
I can just get on the telephone and call you up baby
And honey I know you'll be there to relieve me
The love you give to me will free me
If you don't know the things you're dealin'
Oh, I can tell you, darling, that it's sexual healing
(Heal me darlin')
(Heal me darlin')
Oh, and baby I got sick this morning
A sea was storming inside of me
And, baby I can't hold on much longer
It's getting stronger and stronger
And when I get that feeling
I need sexual healing
Sexual healing
Oh baby, makes me feel so fine
Helps to relieve my mind
Oh baby, sexual healing, baby, it's good for me
Sexual healing is something that's good for me
And it's good for me and it's so good to me
My baby ohhh
Come take control, just grab a hold
Of my body and mind soon we'll be making it, honey
Oh we're feeling fine
You're my medicine open up and let me in
Darlin' you're so great
I can't wait for you to operate
(Heal me darlin')
(Heal me darlin')
I can't wait for you to operate
(Heal me)
When I get that feeling, I need sexual healing
Oh, when I get that feeling I need sexual healing
I gotta have it sexual healing
I wanna have it sexual healing
Come on baby
Gonna turn it around now babe
Ooooooh
Oh baby
Ooooooh
Sexual healing baby, something that's so good for me
