

Darryl Worley, Callin' Caroline

(Darryl Worley/Steve Leslie/Frank Rogers)

I got a lot of highway to travel
I got a little lady on my mind
I'm already pullin' over callin' Caroline
I got to be in Bowling Green by mornin'
It's gonna be a lonely midnight ride
The only thing that keeps me goin' is callin' Caroline
Lord I wish this run was over
You know this old highway never ends
But I'll keep huggin' this old shoulder
Till I'm in her arms again
If I had another way to make a livin'
I would never leave that girl behind
But for now I'll keep a rollin'
Callin' Caroline
Lord I wish this run was over
You know this old highway never ends
But I'll keep huggin' this old shoulder
Till I'm in her arms again
If I had another way to make a livin'
I would never leave that girl behind
But for now I'll keep a rollin'
Callin' Caroline
Yeah for now I'll keep a rollin'
Callin' Caroline
I keep callin' Caroline
