

Darryl Worley, I Miss My Friend

I miss the look of surrender in your eyes
The way your soft brown hair would fall
I miss the power of your kiss when we made love
Oh, but baby most of all
I miss my friend
The one my heart and soul confided in
The one I felt the safest with
The one who knew just what to say to make me laugh again
And let the light back in
I miss my friend
I miss the colors that you brought into my life
Your golden smile, those blue-green eyes
I miss your gentle voice in lonely times like now
Saying it'll be alright
I miss my friend
The one my heart and soul confided in
The one I felt the safest with
The one who knew just what to say to make me laugh again
And let the light back in
I miss my friend
I miss those times
I miss those nights
I even miss our silly fights
The making up
The morning talks
And those late afternoon walks
I miss my friend
The one my heart and soul confided in
The one I felt the safest with
The one who knew just what to say to make me laugh again
let the light back in
I miss my friend
I miss my friend
I miss my friend
Mmmmmmm
I miss my friend
