

# Darwin Deez, You Can't Be My Girl

Today I'm what drugs aren't what you are  
And can I come along  
You're wasted and stoned when  
I am sober as a marble  
I think I love you are horrible  
I think I love you are horrible  
You can't be my girl  
You can't be my girl  
You can't be my girl

Fishing for your lipstick,  
You found your cigarettes  
We're hugging up the robin  
As we sit on robin steps  
You crazy and show you love  
Till you're swearing over tough  
Ever insist on discussing him  
You're so wrong but some wrong you in  
So wrong to kiss you when  
You can't be my girl  
You can't be my girl  
You can't be my girl

You're sweet but you're messed up  
Your best friend is a red cup  
But you remind me life can be fun,  
Yeah, yeah, yeah, yeah,  
Yeah, yeah, yeah, yeah,  
You can't be my girl  
You can't be my girl  
You can't be my girl
