

Darwin Hobbs, Unexplainable

[Chorus:]

I can't explain it, something's deep inside,
I can't contain it, why should I try to hide?
What I feel about You, oh it's just too much,
I know that these words are not enough,
so I'm gonna live mine as expressions of my love,
there's somethin' 'bout Your love.

[Verse 1:]

Can I take a moment, I'm gonna try to say
what's on my heart and on my mind,
I even tried to write a song,
but the words are too contrived,
I just had to let it lie;
singing oh my Adonai, to the Most High.

(Then like a river, emotion sings Your song),
(I shiver, these are the words I can't deliver);
(I come undone because I just can't find a way),
You're unexplainable.

[Chorus]

[Verse 2:]

I get up in the morning
and the sun's already testified to a brand new day;
so I guess I better get this smile and be on my way,
and did I forget to say, "oh what a lovely day";

(And in the dawning, somehow the newness is reborn),
(and somehow the news comes like a storm),
(and I come undone because I just can't find a way),
You're unexplainable...

[Chorus]

[Vamp:]

Holy, holy, that won't do it.
Glory in the highest, that won't do it.

Doctor in the sick bed, that won't do it.
Lawyer in the trial room,
but that won't do it, won't do it.

Rock and a strong tower,
but that didn't quite do it.
Lily of the valley,
but now that won't do it.

Nothing I can find
will ever quite do it, do it, and do it.
My heart, my soul, my mind,
still that won't do it, won't do it.

[Ending:]

I can't explain it, something's deep inside,
I can't contain it, why should I try to hide?
What I feel about You, oh no, it's just too much,
these words are not enough,
so I'm gonna live it, expressions of my love.

I'm gonna live it.
I'm gonna live it.
I'm gonna live it.

I'm gonna live it.

Mamma can't live it,
daddy can't live it,
you can't live it,
ooh, ooh,
ooh, ooh.

I'm gonna live it.
I'm gonna live it.
I'm gonna live it.
I'm gonna live it.

I'm gonna live it.
I'm gonna live it.
I'm gonna live it.
I'm gonna live it.

Yes, I'll live it.
Yes, I'll live it.
Yes, I'll live it.
Yes, I'll live it.

Yeah, yeah, yeah, yeah.
Yeah, yeah, yeah, yeah.
Yeah, yeah, yeah, yeah.
Yeah, yeah, yeah, yeah.
