

Daryl Hall & John Oates, Did It In A Minute

When you find yourself alone
And when going out is coming home
Well, you can count on "the kid";
Cause there's nobody waiting around
Oh oh if you're not an easy mark
It's a shot in the dark that hits the heart
And I know, I know, I know, I know
When it's coming
(I thought so anyway)
Some things stay the same
And some are due for change
I thought I had them all nailed down
But you turned it around

Oh you did it
You did it, you did it, you did it
You did it in a minute
I know you did it
You did it, you did it, you did it
You did it in a minute

Well I still can't say I know
When a love is real or touch and go
And if two can be one
Who is the one two becomes oh oh
Am I quick enough to see
When I'm ready and it's right for me
I say, I say, I say, I say that I want it
(I think so anyway)
Everybody always laughs at love
But what they want is to be proven wrong
Then you came along

Oh you did it
You did it, you did it, you did it
You did it in a minute
I know you did it
You did it, you did it, you did it
You did it in a minute
