

# Das EFX, If Only

"And it go a little something like this"      "Hit it!"

Verse One: Books

Shiggity shoz-bots, hots, I rocks  
I kiggity-kicks the drama like a farmer picks the crops  
Hops, I diggity-digs more wigs than John The Baptist  
They call me Mr. Rapper so I guess I be the rappist  
No practice, yo Krayzie (Diggity yes?), knocker  
Don't bolo like Han Solo, come work like Chewbacca  
So ease back, slick, or get kicked in the tush  
Yep, I call ya Snaggle if your puss-  
Ee gads, I rip shop, until the roof fell in  
and plus I piggity-pop your shit like \*?Jugglo Ellen?\*But umm, rarely does my crew get into beefus  
I fliggity-flips the mould like the gold that's on my cheebas  
Oh Jesus, I'm the youngest, Flipsy be the eldest  
I'm hipper than the hip bone connected to your pelvis  
So hickory dickory dock, diggity-don't your wish

Hook:

"If only it sounded like this"      ".....like this"  
\*repeat x2\*  
"like, this"
