Das Moon, GONE

I'm tired of this I'm tired of playing I go to sleep deep sleep I'm craving

I cry I moan I hope you'll get free ride back home I hope it ends

so please go away it's for the better I'm tired of playing be gone forever

I'm tired of you I'm tired of playing with you so close giving me pain

I cry I moan
I hope I'll get
a chance to be
with another man

so please go away it's for the better I'm tired of playing be gone forever
