

Dashboard Confessional, Carve Your Heart Out Yourself

Carve your heart out yourself
Hopelessness is your cell
Since you've drawn out these lines
Are you protected from trying times?

Man it takes a silly girl to lie about the dreams she has
Lord it takes a lonely one to wish that she had never dreamt at all
Oh look, now, there you go with hope again
Oh, you're so sure I'll be leaving in the end

Dig a ditch deep enough
To keep you clear of the sun
You've been burned more than once
You don't think much of trust

Man it takes a silly girl to lie about the dreams she has
Lord it takes a lonely one to wish that she had never dreamt at all
Oh look, now, there you go with hope again
But I'll be sure your secret is safe with me
Oh, you're so sure I'll be leaving in the end
Treating me like I'm already gone

But I'm not, I will stay where you are always
I will stay, I will stay, I will stay (all of now)
[repeat to fade out]
