

# Dashboard Confessional, Don't Wait

The sky glows  
I see it shining when my eyes close  
I hear your warnings but we both know  
I'm gonna look at it again

Don't wait, Don't wait  
The road is now a sudden sea  
And suddenly, you're deep enough  
To lay your armor down  
To lay your armor down  
To lay your armor down

You get one look  
I'll show you something that the knife took.  
A bit too early for my own good  
Now let's not speak of it again

Don't wait, Don't wait  
The road is now a sudden sea  
And suddenly, you're deep enough  
To lay your armor down  
To lay your armor down  
To lay your armor down

Don't wait, Don't wait  
The lights will flash and fade away  
The days will pass you by  
Don't wait  
To lay your armor down [x5]
