

# Dashboard Confessional, Not So Easy

Save up until you've had it.  
The offer's come but you won't go on  
Brought down  
with the force of nature  
breathing off my lungs  
it's not easy to like it (it's not easy to like it)  
it's not easy at all (it's not easy at all)  
it's not easy to like it at all  
fill up to the limit

winter's come with her appetite  
money clips equipped with paper  
buckets brimming and tied  
it's not easy to like it (it's not easy to like it)  
it's not easy at all (it's not easy at all)  
it's not easy to like it at all

it's not easy to like it (it's not easy to like it)  
it's not easy at all (it's not easy at all)  
it's not easy to like it at all

breathing off of my lung  
when you breathe off of my lung  
save up till youve had it  
offer's come but you won't go on  
brought down the forces of nature  
when you breathe

it's not easy to like it  
it's not easy at all

it's breathing off of my lung
