

Dave Dudley, Don't Come Cryin' To Me

Don't come cryin' to me don't come cryin' to me
You've got eyes you can see I don't need you anymore
You kept lying to me me you kept wanting to be
A love much too free now don't come cryin' to me
Oh how it was when you whisper I love you so much I could die
The only thing wrong with your whispers every was was a lie
So don't come cryin' to me don't come runnin' to me
I've got true loving now so don't come cryin' to me
Oh how it was when you whisper...
Don't come cryin' to me
