

# Dave Dudley, Eagles Fly Alone

Thank you girl it's been so much fun you know me I gotta get up and run  
I never had a nest don't want a home sorry girl eagles fly alone  
You've given up to almost change my mind  
But I gotta see what's happenin' on down the line  
A free flyin' life is all I've known sorry girl eagles fly alone  
I don't think about the sunset yesterday the past is gone sunrise is on its way  
You're my kind but something's a movin' me on sorry girl eagles fly alone  
If you want me to I'll touch down again  
I'll tell you what I've done in places I've been  
I'll warm your nest once more then I'll be gone sorry girl eagles fly alone
