

# Dave Dudley, Have It Your Way

Have it your way have it your way you can make it you're ready today  
Your face tells it all there's no more to say  
You've got a brand new work so have it your way

It seems you think I'm not much more than nothing  
So nothing has no reason now this day  
I'd rather lose my pride before my mind goes  
If that's the way it is have it your way  
I've always tried to give you what you wanted and that included me everyday  
I don't really know what changed your thinking  
But if this is what you want have it your way  
Have it your way have it your way...
