

# Dave Dudley, Intro - Thanks For All The Miles

This is Dave Dudley and I'd like to take a few seconds of your time  
To add my sincerest appreciation for all the nice things you've done for me  
And to kindly introduce this album personally  
We've picked some of the old songs that have come down through the years  
Then added a few new ones  
Some of which I've helped write especially for this album  
So I do hope it contains a good variety that you'll enjoy hearing  
I've been looking forward to meeting you at all the new places  
We plan to visit in the near future  
So until then thank you very kindly for being my friend  
And here's the album Thanks For All The Miles and we really mean that
