

# Dave Dudley, Six-0-One

Yeah everybody comes here to have a ball  
If anybody's missin' well we give 'em a call  
For we're always happy son of a gun oh lots of fun at the 6-0-1  
Rumhouse Jack he's feeling fine he's got big eyes for Clementine  
But no one cares let the old clock run havin' fun at the 6-0-1  
The floor is a jumping everybody's bumping not one happy face  
Well there ain't no place just like this place this must be the place  
Guys all lookin' at them good lookin' dolls big eyes searchin' like a tree full of owls  
Well never know when the morning comes a having fun at the 6-0-1  
[ guitar ]  
If it looks a little crowded inside the door holler move over here comes Joe More  
If you didn't bring a friend well we'll get you one oh lots of fun at the 6-0-1  
If you come a little late well that's alright cause everybody stays till broad daylight  
The band keeps movin' when your feet get numb a having fun at the 6-0-1  
The floor is a jumping...  
You watch it happen in at the 6-0-1 goin' strong at the 6-0-1
