

Dave East, Weirdos (feat. Jadakiss)

Started on a mountain bike, switchin' gears, nigga (Remember, gears, nigga)
Ask how long it took me, it took years, nigga (Years)
Funerals and wakes, I faced my fears, nigga (I did)
Just stayin' far away from all these weird niggas (Weirdos)

I was raised to be a soldier, ain't no tears, nigga (No tears, nigga)
Wipe 'em off your face and hit your square, nigga
I told 'em it would happen, I prepared niggas (I told niggas)
Let's try to make a million dollars, shit, I dared niggas
I had to wait in line, I ain't have clear, nigga (At all)
TSA could smell that East Co. on my beard, nigga
Once in a lifetime, I'm such a rare nigga
Come look at what I seen, I'm tryna share my vision (Share my vision)
Come chill around some niggas that done really lived it (Really lived it)
Once you really 'round some money, you gon' feel that difference (You gon' feel that)
State to state, we really traveled tryna make 'em feel us (Make 'em feel us)
The shit we did gon' live forever, they could never kill us (Never kill us)

Started on a mountain bike, switchin' gears, nigga (I remember)
They ask how long it took me, it took years, nigga (Forever)
Through unerals and wakes, I faced my fears, nigga (I did)
Just stayin' far away from all these weird niggas (Weird niggas)

Come 2 Far

Dave East & Cool N Dre

Fuckin' weirdos
Far away from these weird niggas
Somethin' to love, you know?
I'm learnin' (Ow)
Yeah, uh
We all need it
Look

Started on a dirt bike with the chain loose (Mongoose)
In front of the buildin' with the same troops (Yeah)
Had to go a couple winters with the same boots (Huh?)
The narcs tryna hang us from the same noose (Woop-woop)
Soon as you bubble, then you run into trouble
So when they see your money double, they pretend like they love you
I ain't stressin', I ain't worried, my nigga, just fucked up (Hmm)
'Cause lately I been buryin' niggas, it's a tough luck (Word)
Mama send a prayer via text every mornin' (Mama)
Help me read the signs and recognize every warnin' (Love you)
And what do you know? I'm still here though
Avoidin' all the dick teasers, skeezers and weirdos, what?

Started on a mountain bike, switchin' gears, nigga (I remember)
They ask how long it took me, it took years, nigga (Forever)
Through funerals and wakes, I face my fears, nigga
Just stayin' far away from all these weird niggas

Fuckin' weirdos
Far away from these weird niggas (Yeah)
Somethin' to love
Somethin' to love, you know? (Yeah)
I'm learnin'
Yeah
We all need it
Look

Before the Clicquot popped, we was some bare niggas
I know you bleed just like I bleed, why would I fear you niggas? (Why?)
Lately too much on my mind, so I don't hear niggas (At all)
Bitches never get my time, I know they share you, niggas (I know)
Teachers acted like they cared, but I ain't care, nigga (I ain't care, nigga)
Mama told me life was hard, this shit ain't fair, nigga
In My Lifetime Volume 1, that made me hear Jigga (HOV)
Pistols like iPhones, now we carry 'em with us (Carry 'em with us)
Hop up out some foreign shit, they takin' pictures (They takin' pictures)
Run 'em down on foot, I know 'bout chasin' niggas (Come here)
Niggas dyin' every day, can't erase the spirits
V12, tint on glass, try to race it, nigga (Skrrt)

Look where I took this shit
If you know, you know
If you was around, you was around
Somethin' to love
Yeah

Started on a mountain bike, switchin' gears, nigga (I remember)
They ask how long it took me, it took years, nigga (Took me years, nigga)
Through funerals and wakes, I face my fears, nigga (My fears, nigga)
Just stayin' far away from all these weird niggas (Weirdo)

Stayin' far away from all these weird niggas (Weird niggas)
Got to
Stayin' far away from all you weird niggas
