Dave Gahan, Deeper And Deeper

I want your love

I'm gonna have you When I want to I'm gonna take you That's what I like

I'm going down now Deeper and deeper Under your skin now You know that it's right

I want to love you I want your love I want to love you I want your love

You can't tell me That you don't want it You know that I like it When you put up a fight

I'm gonna have you When I want to I'm gonna take you That's what I like

I want to love you I want your love I want to love you I want your love

I'm gonna have you When I want to I'm gonna take you That's what I like

I'm going down now Deeper and deeper Under your skin You know that it's right

I want to love you I want your love I want to love you I want your love
