

Dave Gahan, Never Let Me Down Again

I'm taking a ride
With my best friend
I hope he never lets me down again
He knows where he's taking me
Taking me where I want to be
I'm taking a ride
With my best friend

We're flying high
We're watching the world pass us by
Never want to come down
Never want to put my feet back down
On the ground

I'm taking a ride
With my best friend
I hope he never lets me down again
Promises me I'm safe as houses
As long as I remember who's wearing the trousers
I hope he never lets me down again
See the stars, they're shining bright
Everything's alright tonight

Never let me down Never Let Me Down Again
