

# Dave Gahan & Soulsavers, Longest Day

I was walking home lonely the other night  
I couldn't see a single star in the sky  
Oh, they must be too high  
Shadows dance around me in the dark  
Don't stop

This could be the longest day  
And the night has yet to come  
This must be the dark to take  
There's nowhere left to run  
This could be the longest day  
And the night has yet to come  
This must be the dark to take  
I've nowhere left to run

Was eleven years to change what have been lost  
One single shot was fired and what a cost  
Oh, and what a cost

This could be the longest day  
And the night has yet to come  
This must be the dark to take  
There's nowhere left to run  
This could be the longest day  
And the night has yet to come  
This must be the dark to take  
I've nowhere left to run

I wanna run  
I better run now  
Run  
As far as I can
