

# Dave Hollister, Destiny

Mmm, mmm  
Can a rose petal live without water drops?  
Can my heart live without you?  
Surely not  
Cuz a rainbow is what you gave me everyday  
Now I can't go on  
I'm devastated  
Cuz you're not here  
Girl, I know you're not  
In the mood for apologies  
But it's killin' me to think  
Of what I've done to you  
But I realize that I was wrong  
And I, I don't wanna change  
Destiny (we're destiny)  
You and me, ooh, can't you see?  
Destiny (we're destiny, ooh girl)  
Now I had to face it  
The pain you feel from the man  
Who says he loves you  
And inside of all my tears, is fear  
That you'll never forgive me  
Ooh, I need a sign that you'll remember  
That vow that holds us baby  
Cuz true love is never unofficial  
It's always pure  
Girl, I know you're not  
In the mood for apologies  
But it's killin' me to think  
Of what I've done to you  
But I realize that I was wrong  
And I, I don't wanna change  
Destiny (we're destiny)  
You and me, ooh, can't you see?  
Destiny (we're destiny, ooh girl)  
Mmm, ah  
Whoa oh  
Oh, oh, oh  
Oh, oh, oh, oh, oh  
Girl, I know you're not  
In the mood for apologies  
But it's killin' me to think  
Of what I've done to you  
But I realize that I was wrong  
And I, I don't wanna change  
Destiny (we're destiny)  
Destiny  
Girl I know that I mistreated you  
I know that I can't live without you  
I know that I mistreated you  
I know that I can't live without you  
I realize  
That I was wrong  
And I, I don't wanna change  
Destiny, yeah (we're destiny)  
Destiny, yeah  
Oh, our destiny (we're destiny)  
Destiny  
(We're destiny)  
Come on back baby, ooh  
I love you
