Dave Hollister, Destiny

Mmm, mmm

Can a rose petal live without water drops?

Can my heart live without you?

Surely not

Cuz a rainbow is what you gave me everyday

Now I can't go on

I'm devistated

Cuz you're not here

Girl, I know you're not

In the mood for apologies

But it's killin' me to think

Of what I've done to you

But I realize that I was wrong

And I, I don't wanna change

Destiny (we're destiny)

You and me, ooh, can't you see?

Destiny (we're destiny, ooh girl)

Now I had to face it

The pain you feel from the man

Who says he loves you

And inside of all my tears, is fear

That you'll never forgive me

Ooh, I need a sign that you'll remember

That yow that holds us baby

Cuz true love is never unofficial

It's always pure

Girl, I know you're not

In the mood for apologies

But it's killin' me to think

Of what I've done to you

But I realize that I was wrong

And I, I don't wanna change Destiny (we're destiny)

You and me, ooh, can't you see?

Destiny (we're destiny, ooh girl)

Mmm, ah

Whoa oh

Oh, oh, oh

Oh, oh, oh, oh, oh

Girl, I know you're not

In the mood for apologies

But it's killin' me to think

Of what I've done to you

But I realize that I was wrong

And I, I don't wanna change

Destiny (we're destiny)

Destiny

Girl I know that I mistreated you

I know that I can't live without you

I know that I mistreated you

I know that I can't live without you

I realize

That I was wrong

And I, I don't wanna change

Destiny, yeah (we're destiny)

Destiny, yeah

Oh, our destiny (we're destiny)

Destiny

(We're destiny)

Come on back baby, ooh

I love you
