

Dave Hollister, It's Okay

Hands down you got to be the most beautiful girl I've seen, need to know how to
get in my life out of my dreams, heaven must made a mistake and let you go, got
the be one of a kind aint no more like you your original.

It's okay, to be my lady

It's okay, want you have my baby

It's okay, later maybe we can go somewhere and get crazy

It's okay, lets make it happen

It's okay, we can get this thing crackin

It's okay, let me know open up your mouth girl tell me so

If I let you out of my sight you might get away, so I'm doing all that I can to
convince you to stay, you don't know me when I'm feeling like that is about to
changed I trade anything that I got just to hear you call my name

Pretty brown eyes chocolate cover theighs skin smooth as butter just the way I
like, maybe I'm just stupid but I could have swore you were staring at me when
I walked in the door, come on over here I got something for you baby don't be
scared I just want to love you if you feeling me like I'm feeling you go ahead
and tell me what you wanna do.

It's okay, you can be my lady

It's okay, you can have my baby

It's okay, later on maybe we can go somewhere and get crazy

It's okay, we can make it happen

It's okay, we can get this thing crackin

It's okay, baby let me know open up your mouth and tell me so

Let me put you on, on my witness stand, baby testify, say that I'm your man
looking at the some time tell me that you do my time with me, if there anything
that I'm guilty of girl it got to be sweetest kind of love sentenced me to life
put me away it's okay.

It's okay, to be my lady

It's okay, want you have my baby

It's okay, later maybe we can go somewhere and get crazy

It's okay, lets make it happen

It's okay, we can get this thing crackin

It's okay, baby let me know open up your mouth girl tell me so

It's okay, you can be my lady

It's okay, you can have my baby

It's okay, later on maybe we can go somewhere and get crazy

It's okay, we can make it happen

It's okay, we can get this thing crackin

It's okay, baby let me know open up your mouth and tell me so
