

Dave Hollister, We've Come Too Far

[Intro]

Hey, baby listen

I know we've been through our share of problems
Been through our share of ups and downs
But we, we've just come too far to throw it all away
Wait a minute, let me

Let me do it like this

We've had our problems baby, mmm

But we still made it through

We've been through the storm sugar, yes we have

And I'm still in love with you

[1:] I see the pain baby, deep in your eyes

Even though you're smiling

I know it's hard

And it feels like we fell out of love

But baby, hold on, cuz...

[2:] We've come too far

To give up on us

Been through too many things

We've cried too many tears

To throw it away

Baby, can I take my time

And sing to you?

Ooh, I'm so sorry darlin', yes I am

I did some things I'm ashamed of

I'm just a man, angel, yes I am

Sometimes we fall short to love

[1]

[2]

[2]

Yeah...

Don't think I fell out of love (you are)

You are the one that I need (if you leave me baby)

If you leave me baby, I'd die (yeah, ooh, yeah oh)

And regret that I've ?? this for you (break it down, yeah)

(We've come too far)

Come here baby, hmm

Can I take my time and talk to you for a minute?

Baby I'm sorry for comin' home so late at night

(We've come too far)

Ooh, yes I am baby, huh

It hurts me so bad

To see you cryin', yes it does, ah

(We've come too far)

Everyday you cry

It hurts me baby, hurts me baby

(To give up on us)

Everytime you cry, I have to say baby

(Been through too many things)

I'm sorry

(We've cried too many tears)

Baby, it cuts me like a knife

(To throw it away)

To hurt you so bad, eh yeah

(We've come too far)

Ooh we, baby, eh, yes we have

(We've come too far)

We've come too far

Hey hey, hey
