Come and see I swear by now I'm playing time against my troubles I'm coming slow but speeding Do you wish a dance and while I'm in the front The play on time is won But the difficulty is coming here I will go in this way And find my own way out I won't tell you to stay But I'm coming to much more All at once the ghosts come back Reeling in you now What if they came down crushing Remember when I used to play for All of the loneliness that nobody Notices now I'm begging slow I'm coming here Only waiting I wanted to stay I wanted to play, I wanted to love you I'm only this far And only tomorrow leads my way I'm coming waltzing back and Moving into your head Please, I wouldn't pass this by I wouldn't take any more than What sort of man goes by I will bring water Why won't you ever be glad It melts into wonder I came in praying for you Why won't you run In the rain and play Let the tears splash all over you
