## Dave Matthews Band, Some devil

| One last kiss | one only Then I'll I | let you go hard fo | r you I've fallen E | But you can't break | c my fall I'm bro |
|---------------|----------------------|--------------------|---------------------|---------------------|-------------------|
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
|               |                      |                    |                     |                     |                   |
