Dave Weckl, Rainy day

If you're feelin' sad and blue
And you don't know what to do
Don't cry oh no
The world has got you runnin' down
Tears are all that can be found
In your eyes mmhm

In every life some rain must fall
Though you feel your back is to the wall
Close your eyes and put your cares away

Don't cry
My love
Save it for a rainy day
Your smile
My love
Surely takes the clouds away

Feel as though you'll fall apart
Ever since your broken heart oh wow oh wow
Read it in the evening news
The sky is tumbling down on you oh no no no no

In every life some rain must fall
Though you feel your back is to the wall
Close your eyes and put your cares away

Don't cry
My love
Save it for a rainy day (you've got to save it)
Your smile
My love
Surely takes the clouds away (yeah yeah yeah yeah)

Don't cry
My love
Save it for a rainy day (you've got to save it)
Your smile
My love
Surely takes the clouds away

Save it for a rainy day

All these things you've come to know
Just which way that you should go
Close your eyes and put your cares away

Don't cry
My love
Save it for a rainy day (come on come on come on come on baby x2)
Your smile
My love
Surely takes the clouds away (puts the clouds away)

Don't cry
My love
Save it for a rainy day (come on come on come on come on baby x2)
Your smile
My love
Surely takes the clouds away (puts the clouds away)
