(Verse 1: David Banner)

Finger f**k your pussy like you want some, girl

Work it like a nigga straight licking on your pearl

I wanna see you cum in the middle of the dance floor

A nigga can't f**k, what you think your finger made for

I'ma beat that pussy up

You get it wet enough, I might lick it up

Lickey, lickey, lickey, like a peppermint swirl

Lick that clit

Cum girl

Uh, I wanna see your legs shake

Take you to the crib, we can f**k til the bed break

Uh, f**k you til your pussy ache

Think about the type right now, girl, masturb

(Uh uh) bate for a nigga, freak you in the clubs

stop worrying about them other hoes

It's me in your world

Work that clit

Cum girl

(Verse 2: Kaine)

Hey how you doin lil mama? lemme whisper in your ear

Tell you sumthing that you might like to hear

You got a sexy ass body and your ass look soft

Mind if I touch it? and see if its soft

Naw I'm jus playin' unless you say I can

And im known to be a real nasty man

And they say a closed mouth dont get fed

So I don't mind asking for head

You heard what I said, we need to make our way to the bed

And you can start usin' yo head

You like to f**k, have yo legs open all in da butt

Do it up slappin ass 'cause the sex gets rough

Switch the positions and ready to get down to business

So you can see what you've been missin'

You might had some but you never had none like this

Just wait til you see my dick

(Verse 3: D-Roc)

You fine, but I aint gone sweat ya

See I wanna f**k, tell me whats up

Walk around the club with yo thumb in ya mouth

Put my dick in, take your thumb out

There might be a lil kosher to deal with

Wet fat hoe's crunk up they dont spill shit

I keep a hoe hot when I'm puttin' in work

Wanna skeet skeet you bout to get your feelin's hurt

'cause I'll beat dat cat with a dog

And knock da walls of a broad til she scrawl

Like (OOOOOH!)
