

# David Barrett, One Shining Moment

The ball is tipped  
and there you are  
you're running for your life  
you're a shooting star  
And all the years  
no one knows  
just how hard you worked  
but now it shows...  
(in) One Shining Moment, it's all on the line  
One Shining Moment, there frozen in time

But time is short  
and the road is long  
in the blinking of an eye  
ah that moment's gone  
And when it's done  
win or lose  
you always did your best  
cuz inside you knew...  
(that) One Shining Moment, you reached deep inside  
One Shining Moment, you knew you were alive

Feel the beat of your heart  
feel the wind in your face  
it's more than a contest  
it's more than a race...

And when it's done  
win or lose  
you always did your best  
cuz inside you knew...  
(that) One Shining Moment, you reached for the sky  
One Shining Moment, you knew  
One Shining Moment, you were willing to try  
One Shining Moment, you knew  
One Shining Moment....
