David Bowie, Battle For Britain (The Letter)

My, my, the time do fly
When it's in another pair of hands
And a loser I will be
For I've never been
a winner in my life
I got used to stressing pain
I used the sucker pills
to pity for the self
Oh, it's the animal in me
But I'd rather be a beggarman on the shelf

Don't be so forlorn, it's just the payoff It's the rain before the storm On a better day, I'll take you by the hand And I'll walk you through the doors Don't be so forlorn, it's just the payoff It's the rain before the storm

Don't you let my letter get you down Don't you, don't you, don't you, don't you

My, my, but time do fly When it's in another pair of pants And illusion I will be For I've never been a sinner, la di da

Don't be so forlorn, it's just the payoff It's the rain before the storm Don't you let my letter get you down Don't you, don't you, don't you, don't you

Don't you let my letter get you down, down, down, down Don't you, don't you, don't you Don't you let my letter get you down, down, down, down
