David Bowie, Do Anything You Say

Two by two, they go walking by Hand in hand, they watch me cry [Two by two, hand in hand] Lonely nights, I dream you're there Morning sun and you're gone [Lonely nights, morning sun] [Maybe] I'll do anything you say [Maybe] I'll do anything you say [Maybe] I'll do anything you say Do anything you say, do anything One desire I ask of you Please be mine, please be mine [One desire, please be mine] Thousand years and I'll return You'll be mine, you'll be mine [Thousand years, you'll be mine] [Maybe] I'll do anything you say [Maybe] I'll do anything you say [Maybe] I'll do anything you say Do anything you say, do anything Two by two they're walking by Hand in hand, they watch me cry [Two by two, hand in hand] [Maybe] I'll do anything you say [Maybe] I'll do anything you say [Maybe] I'll do anything you say Do anything you say, do anything [Maybe] I'll do anything you say [Maybe] I'll do anything you say [Maybe] I'll do anything you say Do anything you say, do anything you say
