

# David Bowie, Fantastic Voyage

In the event  
that this fantastic voyage  
Should turn to erosion  
and we never get old  
Remember it's true, dignity is valuable  
But our lives are valuable too

We're learning to live with somebody's depression  
And I don't want to live with somebody's depression  
We'll get by, I suppose  
It's a very modern world,  
but nobody's perfect

It's a moving world,  
but that's no reason  
To shoot some of those missiles  
Think of us as fatherless scum  
It won't be forgotten  
'Cause we'll never say anything nice again, will we?

And the wrong words make you listen  
In this criminal world  
Remember it's true, loyalty is valuable  
But our lives are valuable too

We're learning to live with somebody's depression  
And I don't want to live with somebody's depression  
We'll get by I suppose  
But any sudden movement I've got to write it down  
They wipe out an entire race and I've got to write it down  
But I'm still getting educated but I've got to write it down  
And it won't be forgotten  
'Cause I'll never say anything nice again, how can I?
