

David Bowie, Love You Till Tuesday

Just look through your window, look who sits outside
Little me is waiting, standing through the night
When you'll walk through your door I'll wave my flag and shout

Oh, beautiful baby
My burning desire started on Sunday
Give me your heart and I'll love you till Tuesday
Da da da dum [x4]

Who's that hiding in the apple tree, clinging to a branch

Don't be afraid it's only me, hoping for a little romance

If you lie beneath my shade, I'll keep you nice and cool

Oh, beautiful baby
I was very lonely till I met you on Sunday
My passion's never-ending and I'll love you till Tuesday
Da da da dum [x7]
Let the wind blow through your hair, be nice to the big blue sea
Don't be afraid of the man in the moon, because it's only me

I shall always watch you until my love runs dry

Oh, beautiful baby
My heart's a flame, I'll love you till Tuesday
My head's in a whirl and I'll love you till Tuesday

Love, love, love, love you till Tuesday [x2]
Da da da dum [x11]

Well, I might stretch it till Wednesday
