David Bowie, Star

Tony went to fight in Belfast Rudi stayed at home to starve I could make it all worthwhile as a rock & Devan tried to change the nation Sonny wants to turn the world, well he can tell you that he tried I could make a transformation as a rock & Devan; roll star

[CHORUS (x2)]
So inviting - so enticing to play the part
I could play the wild mutation
as a rock & amp; roll star
I could do with the money
I'm so wiped out with things as they are
I'd send my photograph to my honey - and I'd c'mon like
a regular superstar

I could fall asleep at night as a rock & amp; roll star I could fall in love all right as a rock & amp; roll star
