David Bowie, Underground

No one can blame you

For walking away.

Too much rejection.

No love injection.

Life can't be easy.

It's not always swell.

Don't tell me truth hurts, little girl,

'Cause it hurts like hell,

But down in the underground

You'll find someone true.

Down in the underground;

A land serene;

A crystal moon.

Ah..

It's only forever.

Not long at all.

Lost and lonely.

That's underground.

Underground.

Daddy, daddy, get me out of here.

Heard about a place to stay.

I, I'm underground.

Nothing ever hurts again.

Heard about a place to stay.

Daddy, get me out of here

Where nothing ever hurts again.

Daddy, daddy, get me out of here

I, I'm underground.

Sister, sister, please take me down.

I, I'm underground.

Daddy, daddy, get me out of here.

No one can blame you

For walking away.

Too much rejection.

No love injection.

Down in the underground

You'll find someone true.

Down in the underground;

A land serene;

A crystal moon.

Ah..

It's only..

It's only forever.

It's not long at all.

Lost and lonely.

That's underground.

Underground.

Daddy, daddy, get me out of here.

Heard about a place to stay.

Nothing never hurts again.

Daddy, daddy, get me out of here.

I'm, I'm underground.

Sister, sister, please take me down.

I'm, I'm underground.

Daddy, daddy, get me out.

Wanna live underground.

Wanna live underground. Wanna live underground.

Wanna live underground.

Daddy, daddy, get me out of here.

I'm, I'm underground.
Sister, sister please take me down.
I'm, I'm underground.
I, I'm underground.
I, I'm underground.
Daddy, daddy, get me..
Daddy, daddy, get me..
Wanna live underground..
Sister, sister, take me down.
