

# David Bowie, Ziggy Stardust

Ziggy played guitar, jamming good with Wierd and Gilly,  
The Spiders from Mars.  
He played it left hand, but made it too far,  
Became the special man, then we were Ziggy's Band.

Ziggy really sang, screwed up eyes and screwed down hairdo  
Like some cat from Japan, he could lick 'em by smiling  
He could leave 'me to hang  
Came on so loaded man, well hung and snow white tan.

So where were the spiders while the fly tried to break our balls  
Just the beer light to guide us,  
So we bitched about his fans and should we crush his sweet hands ?

Ziggy played for time, jiving us that we were Voodoo  
The kids was just crass, he was the naz  
With God given ass  
He took it all too far but boy could he play guitar.

Making love with his ego Ziggy sucked up into his mind  
Like a leper messiah  
When the kids had killed the man I had to break up the band
