

# David Byrne, I Know Sometimes A Man Is Wrong

I know sometimes I can be wrong  
I know sometimes I do believe  
I know sometimes I can be wrong  
I'll be wrong until you're next to me  
I'll be wrong until you're next to me  
I know sometimes the world is wrong  
I know sometimes I do believe  
I know sometimes the world is wrong  
They'll be wrong until you're next to me  
They'll be wrong until you're next to me
