

# David Byrne, My Love Is You

Some men desire a princess  
And others lust for a temptress  
Well I don't need one of those  
'cause, my love is you  
My love is you

Some men replace their mamas  
And some want a young baiana  
I have no use for those  
'cause, my love is you  
My love is you

Sometimes dear  
You tell me I'm an asshole  
Sometimes you're an asshole too  
Even though we're filled with imperfections  
I don't think any less of you

I'm primitive and selfish  
I'm childlike and I'm helpless  
Well I got that way because of  
My love for you

My love is you  
My love is you
