

David Byrne, The Rose Tattoo

[Bomba/Mozambique]

And they were imagining Roses
As if life itself were a dream
Is a gift not a reason for living?
Not enough, not enough, so it seems

Lost in the Stars
Venus and Mars
And I'm in heaven again
I'll drink to you
The Rose Tattoo
I'm the invisible man

If all the dead are now living
And all of the living will die
Buying their tickets and changing their trains
Into the city and back home again

I'll drink to you
The Rose Tattoo
I'm the invisible man

Brinde a la Rosa
Y al hombre que no vive
Perdido en un sueño
En un atmosfer imposible

Una Rosa sueño imposible
Una Rosa sueño imposible
No queda nada
Solo la lluvia irresistible
Tatuaje de la Rosa, pero el hombre es invisible

Una Rosa sueño imposible
Una Rosa, no queda nada

Now I haven't seen you for ages
Come in, come out of the rain
Open the doorway and climb up the stairs
This is the bedroom where we said our prayers

I'll drink to you
The Rose Tattoo
I'm the invisible man
The singer's playin' "Fly Me to the Moon"
And I'm in heaven again

Brinde a la rosa
Y al hombre que no vive
Perdid en un sueño
En un atmosfer imposible

Una Rosa sueño imposible
Una Rosa sueño imposible
No queda nada
Solo la lluvia irresistible
Tatuaje de la Rosa,
Pero el hombre es invisible

Una Rosa sueño imposible
Una Rosa, no queda nada

I'll drink to you

The Rose Tattoo
I'm the invisible man
Long live the King
Nothing remains
Only a Rose Tattoo
