

# David Byrne, Women Vs. Men

[Bolero]

She had psychic defenses  
He had animal dreams  
They moved closer together  
He said "Lets make a deal";

Does not the law forbid it?  
It's a treacherous act  
We all must suffer  
We all must do our part

No one knows how it started  
And God knows how it'll end  
The fightin' continues  
Women versus Men

Women have their world  
And men, we have ours  
We're into sports  
And they're into flowers

The women are talking  
We do not understand  
They speak in a language  
We do not comprehend

No one knows how it started  
And God knows how it'll end  
The fightin' continues  
Women versus Men

Fightin' in the parkin' lots  
Is this what nature intends?  
Armies of ladies  
Fightin' armies of men

So remember be careful  
Should one cross your path  
One innocent movement  
And it could be your last

No one knows how it started  
And God knows how it'll end  
The fightin' continues  
Women versus Men

No one knows how it started  
And God knows how it'll end  
The fightin' continues  
Women versus Men  
Women versus Men  
Women versus Men  
Women versus Men
