

David Cassidy, I Woke Up In Love This Morning

Last night, I turned out the light, lay down and thought about you
I thought about the way that it could be
Two o'clock, wonderin' what I'm doin' here alone without you
So I close my eyes and dream you here to me and...

(Chorus:)

I woke up in love this morning
I woke up in love this morning
Went to sleep with you on my mind
I woke up in love this morning
I woke up in love this morning
Went to sleep with you on my mind

Hello, girl, yes it's five o'clock I know but you just listen
There's something that I've got to let you know
This is you, this pillow that I'm huggin' and I'm kissin'
And one more thing before I let you go...

(Chorus)

Do dreams come true, well if they do, I'll have you
Not just for a night, but for my whole life through

(Repeat chorus to fade)
