

# David Cassidy, Rock Me

You may call me a rollin' stone, I'm a free born man and I stand alone  
I come a-lookin' for a little satisfaction  
I don't drive no Cadillac, all I've got's hangin' on my back  
But I do believe in a physical attraction  
I can warm your coldest night, I'll make ev'rythin' all right

Hooo, rock me baby, let me feel that beat  
I said ahooo, rock me baby, right down to my feet  
I said ahooo, rock me baby, hold me oh so tight  
I said ahooo, rock me baby, rock me thru the night  
You better hold me while you can  
Or you gonna lose your midnight man  
Now come on and rock me, rock me

I was twelve when I left home, ever since I've been on my own  
I come a-lookin' for a little recreation  
Guess I'll never settle down, it's always been just a one more town  
Why I've loved from coast to coast across the nation  
I can't promise I'll be true but I'll just see what I can do

Come on hooo, rock me baby, let me feel that beat  
I said ahooo, rock me baby, right down to my feet  
I said ahooo, rock me baby, hold me oh so tight  
I said ahooo, rock me baby, rock me thru the night  
You better hold me while you can  
Or you gonna lose your midnight man  
Now come on and rock me, rock me

Mh, come on and rock me, come on and shock me  
Rock me, I'm rollin'  
Come on and squeeze me, ooh, you sure can please me, uh-uh  
All right now, get down

Hooo, rock me baby, let me feel that beat ....
